

Journeying Together

A Marriage Preparation Course from the Diocese of Salisbury

Mothers' Union has experienced leaders who could discuss your particular situation and needs.

We could train more through Mothers' Union's *Loving for Life* training course if you wished to develop this ministry in you parish, benefice or deanery.

We invite you to have a look at the flexible material which is available in CD format as well as a photocopiable A4 file from Mothers' Union Office
